## Welcome

Congratulations on being part of the first netball club in Seattle and Washington State.

This season's game play is an excellent opportunity for all teams and players to further develop skills and have fun while playing in a competition structure.

We enjoyed a fun 2007 Spring Season. Throughout the season and over the summer we listened to suggestions for improvement from our members and hopefully will have an even better 2007 Fall Season. Please continue to give us your thoughts and feedback on how to grow and improve Emerald City Netball Club.

I wish all players, umpires, coaches and administrators an enjoyable season.

*Lisa Washington – President*
