The Board, Executive Committee and Members of  
Emerald City Netball Club

---

Dear Netballers:

What can we say? Great Venue, Great Volunteers and Great Organization all add up to a Great National Netball Championships.

On behalf of the Executive Committee, I am writing to thank you so much for the best Nationals I have ever been to. The sportsmanship displayed by all the teams also added to the success of the occasion. I believe that the atmosphere that was generated by everyone from the staff at the Rainier Center to the youngsters who pulled the winning tickets and all points in between was second to none.

We at USANA know the amount of hard work and the extraordinary amount of time it takes to pull off a successful event such as this. The next hosts will have a hard act to follow. Once again, congratulations and we look forward to hearing that Netball is established at Rainier as the next step in Seattle netball's growth.

Well done Emerald City Netball Club and thank you for your support of USANA.

Sincerely,

*Carole Hokrein*
